

16th edition of
GarFab-IX
15th - 17th March 2019
SIECC, SURAT

Garfab-TX Surat, INDIA The Largest & best ever

The synthetics capital of India, Surat has been the vibrant textile city and with the advent of latest technologies in embroidery, the industry has grown leaps & bounds. GarFab- TX Surat has been the undisputed platform, since 2005, providing sophisticated technology from world over under one roof.

The new launches at 15th edition have set the new benchmark for 16th edition. This edition would also focus on digital printing & garment machinery.
